

Czajka & Puchacz

Slovenian pianist Kaja Draksler and Polish drummer Szymon Gąsiorek have been playing together since the beginning of 2017, when they met in Copenhagen.

In their semi-composed pieces, they work with space and silence, pulse and juxtaposition, gravitation and rhythm, simple melodies and sparkling textures.

Their musical language is enriched by text, which draws from Polish and Slovenian fairy tales.

Kaja Draksler (SI) - prepared piano and percussion
